New Client Onboarding & Company Profile Maintenance

Prospecting

- Business Development (BD) prospects and secures "Discovery Meeting" with potential client
    - From conversations leading up to the meeting getting set, BD should have a general idea of client size, what they do, client needs, etc.

Discovery Meeting

- Business Development and potential Account Manager (AM) present at discovery meeting
- Discuss with potential client:
    - Staffing challenges
    - Pay rates
    - Shifts/break times
    - Facility tour
    - Workers comp/risk assessment
    - Job descriptions and requirements
    - Number of openings and seasonality
    - Tour facility
    - Details about associate's first day
    - Additional solutions we could offer
    - Benefits upon hire in
    - PPE required
    - Additional info for successful placements
    - Ideal days to start associates and orientation process
    - Information needed on confirmations
    - Associate clock in/out process & timeclock needs
    - Any bonuses offered for temporary associates
- BD handles negotiations and gets the contract signed

Upon a Signed Contract

Account Manager Responsibilities

- AM sends follow up email to client thanking them for their time and sharing contact info
- AM creates orientation/assignment sheet and request roadmap from WSI marketing team
    - Collaboration with BM and BD to ensure all necessary info is included
- AM sends job description to the WSI marketing team
- AM creates company record in Avionte (for Kzoo and BC markets)
    - Reaches out to Tracie, Sarah Hoffman, and Training for WC code setup if needed
- Once company record is created
    - AM creates company contacts in Avionte
    - AM creates job orders in Avionte

    - AM adds current openings to the Open Orders/Quick Info sheet for office
    - AM uploads notes from discovery meeting to company record via documents tab or adding activity to contact profile in Avionte
- AM presents to the team on their new client and the openings
    - Ensures the team is aware of shifts, requirements, pay rates, background/drug screening policy, orientation process, and any additional details the team should know

Business Development Responsibilities

- BD creates company record in Avionte (for Detroit, Sturgis, GR, and Holland markets)
    - Reaches out to Jade to confirm what the WC code will be for this client
    - Reaches out to Tracie, Sarah Hoffman, and Training for WC code setup if needed
    - Uploads contract
- BD addresses any questions regarding markups on bonuses or client referrals
    - All bonus/referral markups must be approved by Steve Beebe
    - Document any unique markups on Company Overview Tab in Avionte

Follow Up Communication

AM follows up with client for any missing information needed in Avionte Company Overview Tab: Payroll Processing Details Template for Company Overview Tab in Avionte

- **AM sends email to payroll announcing new client with the overview details**
- **Example email:**

Hi, Payroll!

Exciting news out of BC - we have a new client! II Stanley, here is the company profile- https://wks.myavionte.com/app/#/company/14836223/ We have our first candidate starting on Monday, so we will have a payroll report starting the WB 11/24!

I included this information in the overview tab, but figured I would get it all here as well 😊 We will receive the timesheets on Mondays and I will send them over to you. Invoices should be sent to ap@iistanleybc.com and Jennifer_Bauer@Stanley-Electric.com, but any invoice inquiries should be sent to jpinquiries@iistanleybc.com.

Please let me know if you have any questions at all!

When updating information in the company overview tab:

- Do not delete the outdated information, instead use the "strikethrough" tool to draw a line through the outdated information (this keeps the data for historial tracking if needed)
- Clearly note the new information using the data and bold text
- Email payrollhrs@wsitalent.com to let them know that this tab has been updated and what information has changed

Invoice instructions: ~~email jeanne@theglutenfreebar.com~~ - UPDATE 3/7/22: Please email invoices to: AP@theglutenfreebar.com, Kevin Nguyen, VP of Operations at kevinn@theglutenfreebar.com and Jeanne, HR, at , jeanne@theglutenfreebar.com

First 30 Days of a New Client

Communication

AM owns communication with client and cc's BM/BD during the onboarding transition

- BM/BD will determine when they can be removed from the cc's

30 Day Client Assessment

Completed by the BD, BM, and AM to discuss as a team for next steps:

- Rate the client onboarding
    - What was successful? What were the roadblocks?
    - What could have gone better?
    - Key takeaways
    - Agree upon next steps with the client

Account Updates/Changes

From time to time, changes occur with contacts, pay rates, policies, or other account details. When this occurs, the AM should conduct the steps below:

HR Contact Change

- Let your BM, BD, and team know
- Update any internal documents that may contain this point of contact
    - Team quick info tab, onboarding documents, etc.
- Update Avionte contact tab and open/filled job orders
- Update Avionte company overview tab

Invoice/Statement Contact Change

- Alert the payroll team at payrollhrs@wsitalent.com
- Update Avionte contact tab and open/filled job orders
- Update Avionte company overview tab

Payroll (Pay Rate, Markup, Overtime Rate, etc) Change

- Let your BM, BD, and team know
- Confirm the payroll and dates of effectiveness with the client in writing via email
    - Save the email confirmation from the client to a PDF and upload it to the company profile in Avionte
- Alert the payroll team at payrollhrs@wsitalent.com
- Alert the WSI marketing team if the change warrants a social medial announcement (work with your BM on this)
- Update job descriptions and job posts on all job boards
- Update any internal documents that may contain this payroll detail
    - Team quick info tab, onboarding documents, etc.

- Update new and existing job orders (open & filled)
    - Confirm if the increased pay rate will be effective for existing associates and update these assignments as well once the new rate is effective

Policy Change

- Let your BM, BD, and team know
- Confirm the new policy and date of effectiveness with the client in writing via email
    - Save the email confirmation from the client to PDF and upload it to the company profile in Avionte
- Alert the payroll team at payrollhrs@wsitalent.com, if applicable
- Alert the WSI marketing team if the change warrants a social media announcement (work with your BM on this)
- Update job descriptions and job posts on all job boards
- Update any internal documents that may contain this policy
    - Team quick info tab, onboarding documents, etc.
